INTRO TO MVC
guided notes

INTRO TO MVC

What does MVC stand for:

M

V

C

What does the model do?

What does the controller do?

What do views do?

skillcrush

Why is MVC a best practice? What is the purpose of it?

Fill in the missing pieces of this MVC-Sinatra template:

● sinatra-mvc >

    ○ _____ >

        ■ models   >

            ● _____

        ■ _____ >

            ● _____

            ● layout.erb

        ■ controllers >

            ● _____
